
Be2works Full

Download

admin wrote: This module is good for BE2Works. ... The full version will work: user avatar with the ability to change only through the admin panel... And by the way, not only here. It will work on other forums too. For example, it works for me at <http://forum-sketch.com/viewforum.php?f=57>. But on <http://sketchbook.artstation.com/> - no. Apparently it depends on the language of the forum. On <http://sketchbook.artstation.com/viewforum.php?f=1&sid=d627e9d2a6bbc7b5c...> (where I registered) it works fine for me, but on <http://sketchbook.artstation.com/viewforum.php?f=1&sid=d627e9d2a6bbc7b5c>
